Policies indicator

Impact on score

50/100

A policy is a set of objectives that addresses specific sustainability issues. It shows a company's intention to reduce impact, mitigate risk or improve performance.

Endorsements indicator

Impact on score

0/100

Endorsements are your company's public adherence or commitment to meeting objectives and principles defined by a recognized third-party organization.

Measures indicator

Impact on score

75/100

Measures are your company's actions to support your sustainability policies and commitments.

Communications indicator

Impact on score

0/100

Certifications confirm your compliance with international standards (for example, ISO 14001, ISO 45001, ISO 37001, SA8000 or FSC Chain of Custody). They must be issued by an external certification body.

Coverage indicator

-

▼

Coverage means the level of deployment of measures and certifications throughout your company. It's a multiplying factor. The higher it is, the higher score will be given to the Measures and Certifications indicators.
